

### REMARKS

This submission is in response to the Advisory Action, and includes a translation of the certified copy of the German priority application, DE 10 33 632.9, into English, as well as a statement by the translator that the translation is an accurate translation of the identified German priority application, a copy of which is also attached.

The reasons for allowance of these claims are expressed in the Remarks section of the previous response mailed on October 5, 2007.

Formal allowance is respectfully requested.

Should any questions arise, the Patent Office is invited to telephone attorney for applicants at 212-490-3285.
